Dear Sir or Madam

Please find enclosed the following papers submitted to correct an informality in the setting out of the specification and claims: one fresh specification and set of claims with the claims beginning on a separate sheet and one marked-up version of the same specification and set of claims. Although the marked-up version is probably unnecessary, the amendment comprising only the insertion of space, I am submitting it nevertheless for the sake of protocol. The drawings as originally submitted remain unamended.

Pursuant to 37 CFR 1.121 (b) (3) please substitute the original specification, drawings excluded, with the specification enclosed. Pursuant to 37 CFR 1.121 (c) (3) please substitute the original set of claims with the set of claims enclosed, beginning on p. 19.

Thank you for any service you may give.

Yours faithfully

Russell Zelany Christensen
